

YOUR PREMIUM

VALID FROM **MAY** 2008 ■ EUR

The premium is age-related. The age-related premium is applied at the first coming premium payment. The insurance plan must be taken out before you reach the age of 80. A previous medical history may cause a higher premium, and in some instances, an exclusion in the insurance cover.

Your policy premium may be subject to Insurance Premium Tax based on your country of residence. If this is the case, the amount of any taxes, levies or charges will be shown on your premium notice. For more detailed information on any taxes, please refer to IHI or you local representative.
